Konfiguration

Die Kurssuche wird in den Kursoptionen ein- und ausgeschaltet. Der Default Wert für neue Kurse ist „eingeschaltet“.

The screenshot shows a web browser window with the URL `testing.frentix.com/test8/auth/RepositoryEntry/364150784/CourseNode`. The page title is "OpenOLAT - Einführung ins OO". The navigation menu includes "Courses", "LearnTube", "Groups", "Library", "Authoring", "Coaching", and "Question bank". The main content area is titled "Einführung ins OO / Options" and contains several configuration options:

- Menu visible for participants and coaches**
- Toolbar visible for participants**
- Show calendar** (A blue callout box points to this option with the text: "The course search tool can be enabled / disabled in the course options")
- Enable course search**
- Use course chat**
- Selected glossary**: No glossary selected. A "Select glossary" button is present.
- Selected resource folder**: RESSOURCENORDNER. A "Read only" checkbox is checked. "Deselect" and "Replace" buttons are present.

At the bottom of the configuration area is a "Save" button. A "Go to top" link is located at the bottom right of the page.
