

# Filtering Courses->curriculum

Donnerstag, 18. April 2019 10:13

The screenshot shows a web interface for course management. At the top, there is a navigation bar with an infinity symbol logo and several menu items: Courses, Groups, LearnTube, Coaching, Authoring, Question bank, Curriculum management, Catalog management, and More. On the right side of the navigation bar, there are icons for a green status indicator, a search icon, and a user profile icon.

Below the navigation bar is a secondary menu with buttons for Favourites, My courses, Curriculum (which is highlighted in dark blue), Finished, Catalog, and Search.

In the center of the page, it says "2 Entries". To the right of this text, there is a filter icon (a funnel with a downward arrow) circled in red. Below the filter icon, the text "Active" is followed by a red 'x' icon. To the right of the filter icon is a gear icon for settings.

Below the filter and settings icons is a table with two columns: "Name" and "Identifier".

Name	Identifier
Zertifikatsprogramm "Corporate Learning / Bildungsmanagement"	CLP - HSG (CAS)
Master Studiengang Roman History	MAS-RH

At the bottom right of the page, there is a link that says "Go to top" with an upward-pointing arrow.
